ARHAM ALI

Al Razzaque Villas, Main Medhali Road, Sahiwal, Punjab, Pakistan

arham.ali1323@gmail.com / +92-321-1051323 / LinkedIn / Portfolio

PROFESSIONAL SUMMARY

Frontend Developer (Junior / Entry-Level)
Frontend Developer with hands-on experience building **modern, responsive, and performance-focused web applications** using **Next.js, React.js, Vue.js, JavaScript, HTML, and CSS**. Skilled in translating UI/UX designs into clean, scalable code with a strong focus on responsiveness, usability, and maintainability. Passionate about continuous learning, modern frontend architectures, and delivering high-quality user experiences

TECHNICAL SKILLS

Languages & Core: JavaScript (ES6+), TypeScript, HTML5, CSS3, Responsive Web Design

Frameworks & Libraries: Next.js (App Router, SSR, SSG),Vue.js (Vue 3 basics, component-based architecture),React.js,Tailwind CSS, Bootstrap

Tools & Technologies: Git, REST API Integration, Figma/PSD to Code, Cross-Browser Compatibility, Component-Based Architecture, State Management, Performance Optimization

PROFESSIONAL EXPERIENCE

Front-End Developer (Training / Internship Experience)

- Developed multiple responsive and user-friendly websites using HTML, CSS, JavaScript, Tailwind CSS, React.js, Vue.js, and Next.js

- Converted **Figma and PSD designs** into pixel-perfect, accessible UI components

- Built **reusable components** to improve code maintainability and development speed

- Implemented **responsive layouts** for mobile, tablet, and desktop devices

- Optimized page performance through clean CSS structure and image optimization

- Ensured **cross-browser compatibility** (Chrome, Firefox, Safari, Edge)

- Collaborated with team members to understand requirements and implement frontend features

-

EDUCATION

Bachelor of Science in Economics   October 2020 - October 2024

University of Sahiwal   *Sahiwal, Punjab, Pakistan*

KEY PROJECTS

AlphaSoft360 – Company Portfolio Website(React.js, Tailwind CSS, REST APIs)

alphasoft360.org

- Developed a responsive corporate portfolio website showcasing company services, projects, and team information
- Built reusable React components to maintain design consistency and improve development speed
- Integrated RESTful APIs to manage dynamic content and contact form submissions
- Applied responsive design principles to ensure compatibility across mobile, tablet, and desktop devices
- Optimized UI performance using lazy loading and efficient component structuring

Personal Portfolio Website(Next.js, React, Modern UI/UX)

https://personal-portfoilio-pro.vercel.app/

- Designed and developed a personal portfolio to showcase projects, skills, and professional profile
- Implemented modern UI/UX practices with responsive layouts and smooth navigation
- Deployed using Vercel with continuous deployment for rapid updates
- Focused on clean code structure and maintainability

Front end Practice Projects (Vue.js)
Tech: Vue.js, JavaScript, Tailwind CSS

- Built small-to-medium frontend components using Vue's component-based approach

- Practiced reactive state handling and UI rendering

- Applied responsive design principles and clean UI structure

ADDITIONAL INFORMATION

ADDITIONAL INFORMATION (Updated)

Certifications: React.js, Modern JavaScript Development, Responsive Web Design

Languages: English (Professional), Urdu (Native)

Interests: Frontend frameworks (React.js,Next.js, Vue.js), UI/UX design trends, Performance optimization, Continuous learning & real-world projects
